

MALABAR BAKERY LLC

Website Brief

1. Website Purpose

This is **not an ecommerce website**.

The website should mainly:

- Introduce Malabar Bakery
- Show our scale and experience
- Showcase our product range
- Build trust
- Generate B2B and wholesale enquiries
- Make it easy to contact us through WhatsApp, phone and enquiry forms

The website should feel like an established **UAE bakery and food manufacturing company**, not a small retail bakery.

2. About Malabar Bakery

Established in 2005

Malabar Bakery LLC is an established UAE bakery and food manufacturing company specialising in South Indian favourites, Indian bakery products, breads, snacks and everyday bakery products.

Today we have:

100+ Products

500,000+ Items Produced Daily

200+ Employees

HACCP Certified

ISO Certified

Serving the UAE Since 2005

Brand Line:

TASTE . TRADITION . TRUST

3. Main Website Message

Suggested headline:

A Heritage of Taste.

A Tradition of Quality.

Supporting text:

Since 2005, Malabar Bakery has been bringing authentic flavours to customers and businesses across the UAE.

From traditional South Indian favourites to Indian bakery products, breads, snacks and everyday bakery essentials, we produce more than half a million items every day across a range of over 100 products.

BECOME A BUSINESS PARTNER

4. Website Design

The website should be:

Premium
Clean
Modern
Minimal
Professional
Food focused
Corporate

Use our existing brand style:

Deep chocolate brown
Cream / off-white
Warm tones

Use elegant typography and high-quality food photography.

Avoid making the website look like a generic bakery template.

5. Main Menu

Keep it simple:

HOME

ABOUT

PRODUCTS

BUSINESS

QUALITY

CAREERS

CONTACT

Right-side button:

BECOME A PARTNER

6. Homepage

Recommended homepage flow:

Hero Section

Large premium image or short production video.

Show:

Delivery vehicles

Short text:

Our production combines experienced people, established recipes, modern equipment and structured quality systems to produce consistently at scale.

14. Distribution

Heading:

Serving Businesses Across the UAE.

Short text:

Our production and distribution network is designed to support reliable and regular supply to customers across the UAE.

A simple UAE map can be shown if it looks clean.

15. About Us Page

Heading:

Taste. Tradition. Trust.

Since 2005.

Suggested copy:

Malabar Bakery LLC was established in the UAE in 2005 with a passion for bringing authentic and familiar flavours to the market.

Today, Malabar Bakery has grown into an established bakery and food manufacturing company with more than 200 employees, over 100 products and a daily production of more than 500,000 items.

Our range includes South Indian snacks and breakfast products, Indian bakery items, breads, sandwiches, buns, pastries, puffs, biscuits, samosas, cakes, sweets and ready-to-cook products.

Our roots remain traditional, while our production continues to evolve with modern manufacturing, food-safety standards and reliable distribution.

TASTE . TRADITION . TRUST

16. Mission

To produce authentic, consistent and high-quality bakery and food products while providing dependable supply to customers and businesses across the UAE.

17. Vision

To continue growing Malabar Bakery as one of the UAE's trusted bakery and food brands while preserving the taste and traditions that built our name.

18. Our Values

TASTE

Products people enjoy and come back for.

TRADITION

Respecting authentic recipes and familiar flavours.

TRUST

Building long-term relationships through quality and consistency.

19. Careers

Simple careers page.

26. Short Company Description

Established in 2005, Malabar Bakery LLC is a UAE bakery and food manufacturing company producing more than 100 products across South Indian favourites, Indian bakery products, breads, snacks, sandwiches, buns, pastries, puffs, biscuits, samosas and other everyday bakery categories. Supported by more than 200 employees, HACCP and ISO-certified systems and a daily production of more than 500,000 items, Malabar Bakery continues to serve the UAE with Taste, Tradition and Trust.

27. Overall Website Direction

The main message should be very clear:

Established 2005

100+ Products

500,000+ Items Daily

200+ Employees

HACCP & ISO Certified

Wide Product Range

Indian Bakery Products

Bakery & Bread Manufacturing

B2B Supply Across the UAE

The website should make people immediately understand that Malabar Bakery is a serious, established and high-volume UAE bakery manufacturer.

At the same time, the website should remain simple, fast and budget-friendly.

We do not need unnecessary complicated features.

Focus the budget on:

Good design

Good product photography

Good mobile experience

Easy product catalogue

WhatsApp

Business enquiries

Company credibility

TASTE . TRADITION . TRUST
